# APPLICATION PROCESS AND TRANSCRIPTS

## ONLINE APPLICATION PROCESS

Scholarship applications are only accepted online at [doyonfoundation.com/apply](http://doyonfoundation.com/apply).

Previous applicants can log in using their email and password. First-time applicants will need to create a new account.

Please do this well in advance of the scholarship deadline, as it can take several days to verify a student's shareholder status.

## TRANSCRIPTS

Official transcripts must be submitted the first time a student applies for a scholarship in an academic year, which runs August through July. For example, if the student applies in the fall, he or she must submit official transcripts. If the same student reapplies in the spring or summer of that same academic year, unofficial transcripts will be accepted.

Returning students are students who received a scholarship the prior scholarship period. The Foundation understands that sometimes grades/transcripts are not available until after the scholarship application deadline. In this case, returning students should submit all other application materials by the deadline, and then submit transcripts immediately after grades for the semester/term are available. The transcripts must show grades for the semester/term that the student received a scholarship for.

# UNDERSTANDING TRANSCRIPTS

\***OFFICIAL TRANSCRIPT:** Comprehensive record of a student's academic progress, received directly from the issuing institution, is properly signed/authenticated.

\*\***UNOFFICIAL TRANSCRIPT:** Academic record without signature, seal, date or sealed envelope.

\*\*\***RETURNING STUDENT:** A student who received a Doyon Foundation scholarship the prior scholarship period and has already submitted official transcripts for the current academic year.
