How do I apply?

The application process for high school students is the same as all other Foundation students. Applications are accepted online through the Foundation's scholarship portal at doyonfoundation.com/apply. Note that first-time applicants will need to create a new account, and that it can take up to three business days to verify a student's shareholder status.

What do I need to apply?

For the High School Award, applicants must submit:

- Completed online application
- Signed release and consent form (if under 18, parent or guardian must sign)
- Current high school transcripts
- Proof of academic enrollment (must show enrollment, cost of the course/training and credits received)

When is the application deadline?

Unlike our Part-Time, Full-Time and Competitive Awards, which have set deadlines, students can apply anytime during the year for a High School Award. These scholarships are awarded year-round on a first-come, first-served basis.
