Planning to apply for a Doyon Foundation scholarship for the fall 2022 semester?

Have questions about eligibility, which scholarship is right for you, and the application requirements and process?

Join us for our scholarship opportunities workshop Wednesday, May 11, at 3 p.m. AKDT on Zoom!

We'll also leave time to answer questions. Send your questions to us in advance at scholarships@doyon.com so we can be ready to answer them.

During the workshop, we'll discuss:

- **Scholarship opportunities** available at Doyon Foundation, including our part-time and full-time awards, competitive awards, Kickstart scholarship for high school students, and Level Up scholarship for non-degree-seeking students
- Scholarship application **eligibility requirements**
- Our **Second Chance opportunity** for students who don't meet requirements such as minimum GPA
- Required **application materials**, including transcripts
- The **application process**, including our newly updated scholarship application system
- How to **create a new online account**, which all students – new and returning – must do before applying for a scholarship
