

SUPPORT

DOYON
FOUNDATION

Our mission is to provide educational, career and cultural opportunities to enhance the identity and quality of life for Doyon shareholders.

We work toward this primarily through our scholarship program, which has awarded more than \$20 million since inception, and our language revitalization program, which recently launched a series of online language-learning lessons through the Doyon Languages Online project. If you would like to support this mission, we invite you to explore the many ways to give, get involved and connect with Doyon Foundation!
